Hellenic Copper Development Institute

Nick Vergopoulos
(H.C.D.I. Director)

Dr. Panos A. Efstathiou
(Scientific Advisor H.C.D.I.)

The Hellenic Copper Development Institute, has established the CopperHealth brand with Service and Certification Marks. The CopperHealth Marks ensure stewardship with regard to the deployment of copper and copper alloys in the field.

The above company has the obligation to use this label on the products that have been tested and governed by the certification process with antimicrobial properties, in order to promote them on the market.

The use of the "CopperHealth" logo with the corresponding mark  by the above company, states that the Hellenic Copper Development Institute (HCDI) has granted it a license based on the observance of strict rules.

The use of the CopperHealth Marks by an organization indicates permission to do so has been granted on behalf of Hellenic Copper Development Institute based upon adherence to strict usage rules. These rules guide that organisation's understanding of the underlying technology and the way they promote, advise and deploy it in line with existing research, regulatory and legislative requirements.
